ITALIAN NUTRACEUTICALS - B2B VIRTUAL WORKSHOP

Event	Sector	Place	Date	Registration Deadline
Italian Nutraceuticals Workshop	Supplements	Virtual Platform	31 March 2021	15 March 2021

The Event

The Italian Trade Agency in Amman is organizing, in collaboration with [FederSalus](#), the Virtual B2B Workshop “**Italian Nutraceuticals**” that involves **20** Italian companies specialized in dietary supplements (energy boosters, sleep aid, bone health, immunity fortifiers, etc.), wellness, baby health, and woman health. The event will take place on a virtual platform on **31 March 2021**.

Italian Nutraceuticals, aims at infusing the "Made in Italy" products and stimulating new opportunities for the participating companies.

FederSalus

FederSalus is the Italian Association of Health Products and Manufacturers, that works in the area of health products (food supplements, fortified foods, dietary, products, herbal products and functional foods). **FederSalus** is also a member of EHPM (European Health Products Manufacturers).

If interested to attend the event, kindly fill out the application form online
